MORE REASONS TO DO OUR ADV. DIPLOMA PROFESSIONAL HOME-STUDY COURSE

- (1) THERE MUST BE A COLLEGE TEACHING YOU THIS SUBJECT IN YOUR TOWN, CITY. (2) You have to be living near the college you wish to study.
(3) You must have the time to attend classes. (4) You must have the time to travel to college in rush hour traffic and that has a host of difficulties you will encounter.
(5) Interior designing is not a theory based education but a drawing based education **and so if you are absent for classes you may even have to discontinue**, because, the next drawing is based on the previous days drawing. (6) You study during your free time and **you are still employed earning money or attending to your household work are any other activity.**

LET US ALSO TELL YOU THE DRAWBACKS OF ALL HOME-STUDY COURSES

When you attend regular classes classmates & professors may motivate and encourage you to do the assignments, when you are not in the mood to do so, by yourself.

BUT REMEMBER : You are a mature individual wanting to learn and gain knowledge, so as to be able to earn money to have food to survive OR, may be, you have money for the basics of life, but you want to gain knowledge to occupy your day with some type of activity which will give you self-worth, self-esteem and pride and love and praises by all in appreciation of the work, you have done and achieved and done for the good of human mankind. SO, THIS SHOULD MOTIVATE YOU TO STUDY, DO YOUR ASSIGNMENTS AND DO YOUR HOME WORK, ALL BY YOURSELF, WITHOUT WANTING OTHERS TO MOTIVATE YOU.

A COURSE AT 'ASID' COULD MAKE YOU A PROFESSIONAL DESIGNER!

The Auxilium school of Interior Design tucked away in silent Halls Road in Egmore has been training scores of men and women in this last buck art of interior design.

The director of this school Mathew Jacob is affirmative in that though Madras does not have as much demand as Bombay or Delhi for interior design consultants, the idea is catching on with more

expected to join the course inclusive of primary and advanced levels, anybody with a flair for beauty and art can do well.

The annual fee for the course is Rs 3600/3%⁵⁰⁰. However

draw a decorated room as would be seen in a photograph. (A number of projects done by the students stand effective testimony to their designing, cost estimation and deciding on raw materials to be used. Two residential and these commercial projects are to be done by the students i.e. they have to apply their theoretical knowledge in literally

They can opt for a design consultancy firm or become designers for government and private offices or can start their own business.

Auxilium School of Interior Design is one of Tamil Nadu's premier schools of Interior Designing and Decoration

Mathew assures that a six-month stint at an architectural firm is sufficient to start up ones own business. As this course is comprehensive, no further study in this subject is necessary.
